SUBJECT: TANZANIA A STAKEHOLDER IN UNSC SOMALIA PIRACY
RESOLUTION

REF: SECSTATE 130489

Classified By: P/E Chief Carl Fox for reasons 1.4 (b) and (d).

(C) Poloff delivered reftel demarche concerning UNSC resolution on Somalia piracy to Government of Tanzania MFA Foreign Service Officer Noel Kaganda on December 15. Kaganda Said that, as recent news reports of piracy incidents off the coast of Tanzania have shown, the GOT has a big interest in this issue. He said that although Tanzania is not a member of the UNSC, he anticipated the GOT would use its UNSC contacts to express its interest in the USG draft resolution, including the "important" issue of pursuit of pirates on land.
